

Carly and Maci Reich

Bat Mitzvah Project

Carly and Maci Reich's B'Not Mitzvah is in May. It did not take long for the girls to agree on a Mitzvah Project with Heritage Christian Stables, where Carly participates in assisted horseback riding lessons. Carly and Maci's are asking for donations to Heritage Christian Stables, a charitable therapeutic riding program for children and adults, accredited by the Professional Association of Therapeutic Horsemanship International (PATH Intl.).
