Regular Practice Makes Progress

****Practice Every Day 15-20 minutes****

- 1) **Watch** the video in its entirety
- 2) **Replay** video & **listen** as you **follow along** on your page using your finger or a pencil as a **יָד** (yad)

HINT: You can check yourself by keeping your  on a word and pausing video to see if you are in the exact spot, or close to it then.....

Replay video, **listen** to 2 words at a time, pause video then....

REPEAT OUTLOUD!

HINT: This is the secret to your learning Hebrew 😊

- 3) **Repeat step 3** until you're able to chant on YOUR own without the sound or video
(This step may take you *4 days of consistent practice*)

Don't give up...you got this 😊
